Transmedia storytelling:

> *"a process where integral elements of a fiction get dispersed systematically across multiple delivery channels for the purpose of creating a unified and coordinated entertainment experience. Ideally, each medium makes its own unique contribution to the unfolding of the story."*

(Jenkins, 2010: 944)

Museum as central medium (Strohmaier, 2012)

Museum as “the mothership”

(Jenkins, Ford and Green, 2013)

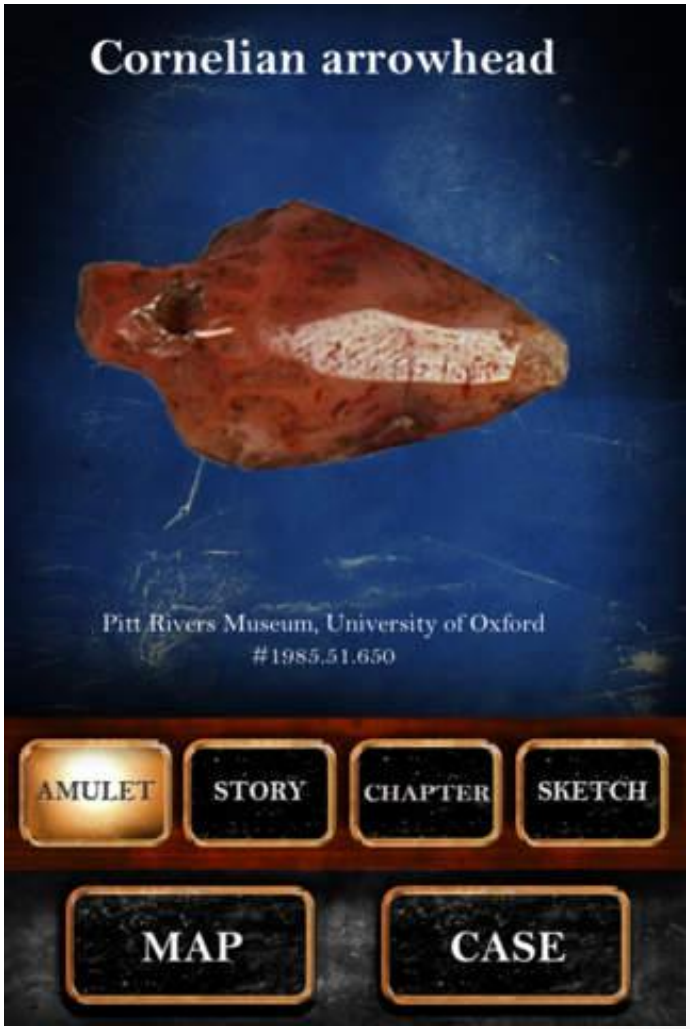

The personalised museum (Parry, 2008)
