To tell the story of chocolate making at Hampton Court Palace

- To present three rooms to the public within the constrains of the site.
- Small spaces
- Scheduled Ancient Monument – limits enabling works.

1. The Chocolate Kitchen – where chocolate was made for the king and his court
2. Interpretation Space -where live cooking takes place every now and again
3. The Chocolate Room- for storage and final presentation of Chocolate

We worked with Ay-Pe who created projections using mapping techniques

About ay-pe

Ay-pe is a team of creative people: filmmakers, animators, visual-effects artists, illustrators and designers. We produce engaging, creative solutions across many varied disciplines for clients both large and small both in the UK and abroad.

We have been designing solutions: exhibitions, immersive experiences, interactives, films and animation for museums, arts institutions, design agencies and international visitor attractions for over 15 years

We are experts at creating experiences to stimulate human emotion. It serves our clients and our audience well and keeps them coming back for more.

What is an Authentic Experience?

V&A London Real Glass in a display case

Replica glass in a recreated room

Subject related (How they feel) Versus Object Related (What it is)

“When you’re coming to a place like this, as soon as you walk through the door you want to be taken back in time to that moment.”

Hampton Court visitor, (Morris Hargreaves McIntyre, 2014)

Historic Royal Palaces

Kitchens at Noma

“The shininess of the room doesn’t sit well with the authenticity” Hampton Court visitor quoted in (Morris Hargreaves McIntyre, 2014)

Historic Royal Palaces

Our online presence allows us to act in *Good Faith* to our visitors to create an *Authentic*, *Authored* experience
